CHEVROLET HERO

Drives to Victory in Big Event
Two Oldfield Records Go.

Atlanta, Ga., Nov. 9.—Louis Chevrolet, the sturdy Swiss pilot of Buick cars, who has leaped into racing prominence within the last year, annexed another hard-earned victory here today when he captured the 200-mile stock chassis race, averaging about 72 miles an hour. Chevrolet's victory came as a climax in a record-breaking contest in which Atlanta's new two-mile speedway was opened.

Two of Barney Oldfield's records were lowered, one of them by Louis Strang, who reduced Oldfield's one-mile mark of the strange then five seconds. To do his party a pair of gloves or a box of candy it would not be the laying of odds and publishing the same. To hold him to be a bookmaker would, in my judgment, be a departure from the rule that gives to the terms of the statute

Two of Barney Oldfield's records were lowered, one of them by Louis Strang, who reduced Oldfield's one-mile mark of 43:01, by more than five seconds. To do it. Strang used the big 200-horse power Fiat, which made a world's record of 28 seconds over the three and one-half mile track at Brooklands, England, last summer. Oldfield took the limit out of it's hitherto unbeatable Benz and took nearly three seconds off his previous record.

"Strang has the fastest car in the world at present," Oldfield declared after the race.

The decision, which is affirmed by the court of appeals, was rendered by Justice W. J. Gaynor, who last week was elected mayor of New York city.

No Bad Accidents.

No serious accident marred the day's sport. The nearest approach to such an accident occurred in the eighty-fifth lap, when Harry Stillman ran into the inner gotter of the track. Neither he nor his assistant were hurt beyond a few bruises. Three wheels frew off the car, one of them rolling 200 yards. The summary:

Frank Gotch, Champion of Them All.

Chicago, Nov. 9 .- Frank Gotch, champion wrestler of the world, defeated Giovanni Raicevich of Italy in two straight falls at the Coliseum here tonight. The first fall was in 16 minutes 28 seconds, and the second in 5 minutes 28 seconds.

The match was witnessed by the largest and most enthusiastic crowd that has attended a wrestling bout since the Gotch-Hackenschmidt contest in Chicago two years ago.

When the wrestlers were introduced they were greeted with applause, the throng in the Coliseum crowding tha aisles, and preventing progress until the police could restore order.

Gotch won the first fall with a crotch and bar arm hold. The Italian gave a fine exhibition of wrestling skill, but the champion was too agile and strong for him. Gotch had his famous toe hold on the foreigner four or five times, but Raicevich resisted it successfully, the crowd giving a tumultuous cheer when Gotch, though smiling, changed his tactles.

In the second fall Gotch pinned his antagonist to the mat in 5 minutes and 28 seconds with a cross-leg hammer and wrist lock hold.

Before the championship match a telegram from Youseff Mahmout, whom Gotch defeated last year, challenging the winner of the match, was read from the ringside. Americus, who participated in one of the preliminaries, announced that he would accept the challenge if it were not taken by Gotch.

Ogden, Nov. 9.—With rain, mud and sloppy conditions in abundance the mudders had their inning at the race track today. For the first two races the track was only heavy, but with more rain it was real mud before the close. At the time of the last race the darkness made it impossible to distinguish the horses.
